

Haddon Bench 300 1800mm Galvanised, Galvanised & Colour or Stainless

With a simple and traditional design, the Haddon Bench 300 from AUTOPA open spaces is perfect for use in busy public spaces like schools, parks and playgrounds. Manufactured from galvanised mild steel, this robust range will complement any site, looking good for many years with only minimal maintenance.

The Haddon Bench 300 is supplied in galvanised mild steel. Powder coating is an optional extra (BS/RAL numbers must be stated at time of order).

Available concrete in and bolt down.
